

TELL PRESIDENT OBAMA:
SOCIAL SECURITY IS NOT A POLITICAL PAWN.

President Obama: The debate over the debt ceiling has nothing to do with Social Security. Offering cuts to Social Security is wrong for many reasons. It's bad politics. It's disingenuous -- it leads many Americans to incorrectly believe that Social Security is to blame for the debt crisis. It's unjust to threaten the benefits that millions of Americans depend on.

WE THE UNDERSIGNED ASK THAT YOU KEEP SOCIAL SECURITY OFF THE TABLE IN THE DEBT CEILING NEGOTIATIONS,.
